

In Diesel Mechanics you'll learn to build an engine. You'll crank it up, operate it and let it run. Finally, we'll show you how to tune it and adjust it to the manufacturer's specifications.

In the Drafting classes, you learn on some of the latest equipment. Drafting is an engineering-related field and as a drafter, you'll will work hand-in-hand with engineers and architects.

**K**imberly Cockrell, a graduate of Tuscaloosa County High School, was named the 1999 Homecoming Queen at Shelton State. Kim is president of the SGA, a member of Phi Theta Kappa and is a Shelton Ambassador. She has a 4.0 grade point average and is active in the community.

**PREREQUISITES:** Before you enroll in a course, you must satisfy all prerequisites (including ASSET scores) for that course. If you enroll in a course where you have not fulfilled all prerequisites, you may not receive credit for that course.

Shelton's Air Conditioning and Refrigeration program gives you the chance to work in a rewarding field. You know you're helping people because where would Alabamians be without their heating and cooling?

**PREREQUISITES:** Before you enroll in a course, you must satisfy all prerequisites (including ASSET scores) for that course. If you enroll in a course where you have not fulfilled all prerequisites, you may not receive credit for that course.

Shelton's Respiratory Therapy program offers students a wide range of career opportunities.

Shelton's Golf Team celebrates a national championship.

When you were young, you wanted to be a nurse. Today, you still do. At Shelton State we believe nursing is a calling, not just a career. In our nursing classes, students learn to put the patients' needs first.

# **FAST TRACK TO SUCCESS**

**A comprehensive training program for the people of West Alabama**

Shelton State in cooperation with Community Service Programs of West Alabama Inc. and other supporting organizations announces a new program: Fast Track to Success, a Comprehensive Training Program for the people of West Alabama. This summer Shelton will offer this program to the people of West Alabama.

A series of technical courses, eight-weeks in length, will be available to special needs populations as well as to the general public. Special Needs Population includes students referred to the program through other colleges or agencies. People in the welfare to work program who qualify under the 30-month TANF program and who are recommended by the Department of Human Resources will also be accepted into the program.

If you are part of the Special Needs population or are a TANF recipient, you may not have any tuition cost. If you are from the West Alabama community, you would pay Shelton's low tuition rate. Some scholarships are available.

Child care facilities are available during the day and evening. For additional information on the program, call Shelton State's Continuing Education Division, (205) 391-2386.

## **SOME OF THE SHORT COURSES THAT WILL BE OFFERED THIS SUMMER INCLUDE:**

- \*Air Conditioning and Heating Service Assistant
- \*Food Service
- \*Carpentry - Finishing
- \*Landscape Management
- \*Child Care
- \*Nursing Assistant/Home Health Aide
- \*Diesel - Lubricant and Tire Technician
- \*Office Automation
- \*Entrepreneurship - Operating your Own Business
- \*Truck Driving Technology; Both A and B Classes

## **FAST TRACK TO SUCCESS Summer Semester Courses**

Registration requirements for these courses must be completed by May 1, 2000. For more information call 391-2386.

### **NURSING ASSISTANT CERTIFICATE PROGRAM**

Martin Campus Cost: \$960 plus supplies & texts

Registration is required by May 1, 2000 Max. 18 students

Instructor: TBA Monday - Friday

June 5 - July 28 8 a.m. - 4 p.m.

A GED or high school diploma or a passing score on the Ability to Benefit test is required for a student to be eligible to participate in this eight-week program. In addition, Shelton State Community College will administer the ASSET test for English placement and a student must qualify to take the English 100 before being admitted. Upon successful completion of the Nursing Assistant Program students are prepared to take the National Nursing Assistant Certification exam administered by the National Council of State Boards of Nursing and Assessment Systems, Inc.

### **OFFICE AUTOMATION**

Martin Campus Cost: \$1200 plus supplies & texts

Registration is required by May 1, 2000 Max. 18 students

Instructor: Deborah Reid Monday - Friday

June 5 - July 28 8 a.m. - 4 p.m.

The Office Automation Program prepares students in the areas of Accounting/Bookkeeping, Filing and Records Management, Office Procedures, machine Calculation, and Keyboarding/Corel WordPerfect. Upon successful completion of the eight-week training, students will be directed toward employment areas fitting their strengths. A GED or high school diploma is not required for participation.

### **TRUCK DRIVING TECHNOLOGY**

Martin Campus Cost: \$881 plus supplies & texts

Registration is required by May 1, 2000 Max. 18 students

Instructor: Mike Warren Monday - Friday

May 30 - July 21 8 a.m. - 4 p.m.

The overall purpose of this eight-week program is to prepare students to obtain entry level positions through industry as a straight truck driver or tractor-trailer driver. Each student must have satisfactory completion of the following courses: basic vehicle operation, safety operation practices, non-vehicle activities, vehicle maintenance and proficiency development.

### **TRUCK LUBRICANT / TIRE TECHNICIAN**

Martin Campus Cost: \$1200 plus text and lab manuals

Registration is required by May 1, 2000 Max. 18 students

Instructor: John Speights Monday - Friday

June 5 - July 28 8 a.m. - 4 p.m.

This is an eight-week course that does not require high school graduation or GED for participation. The course focuses on tire repair and lubricant application. Topics include safety and lubricants requirements. Upon successful completion of the training, students should be able to apply lubricants and service and replace tires.

### **CARPENTRY (FINISHING)**

C.A. Fredd Campus Cost: \$1200 plus supplies & texts

Registration is required by May 1, 2000 Max. 18 students

Instructor: David Sanders Monday - Friday

June 5 - July 28 8 a.m. - 4 p.m.

This eight-week program focuses on wallboard finishing, wallboard repair and vinyl/wall coverings. Quality workmanship and safety will also be stressed. Students successfully completing this training will be ready for work in a field where competent workers are in demand. A GED or high school diploma is not required for program participants.

### **CHILD CARE**

Martin Campus Cost: \$2500 plus supplies & texts

Registration is required by May 1, 2000 Max. 40 students

Instructor: Carolyn Edwards Monday - Friday

June 5 - July 28 8 a.m. - 4 p.m.

This course helps the person without a high school diploma or GED receive the GED and prepares them to be a certified childcare worker.

### **LANDSCAPE MANAGEMENT**

C.A. Fredd Campus Cost: \$1200 plus supplies & texts

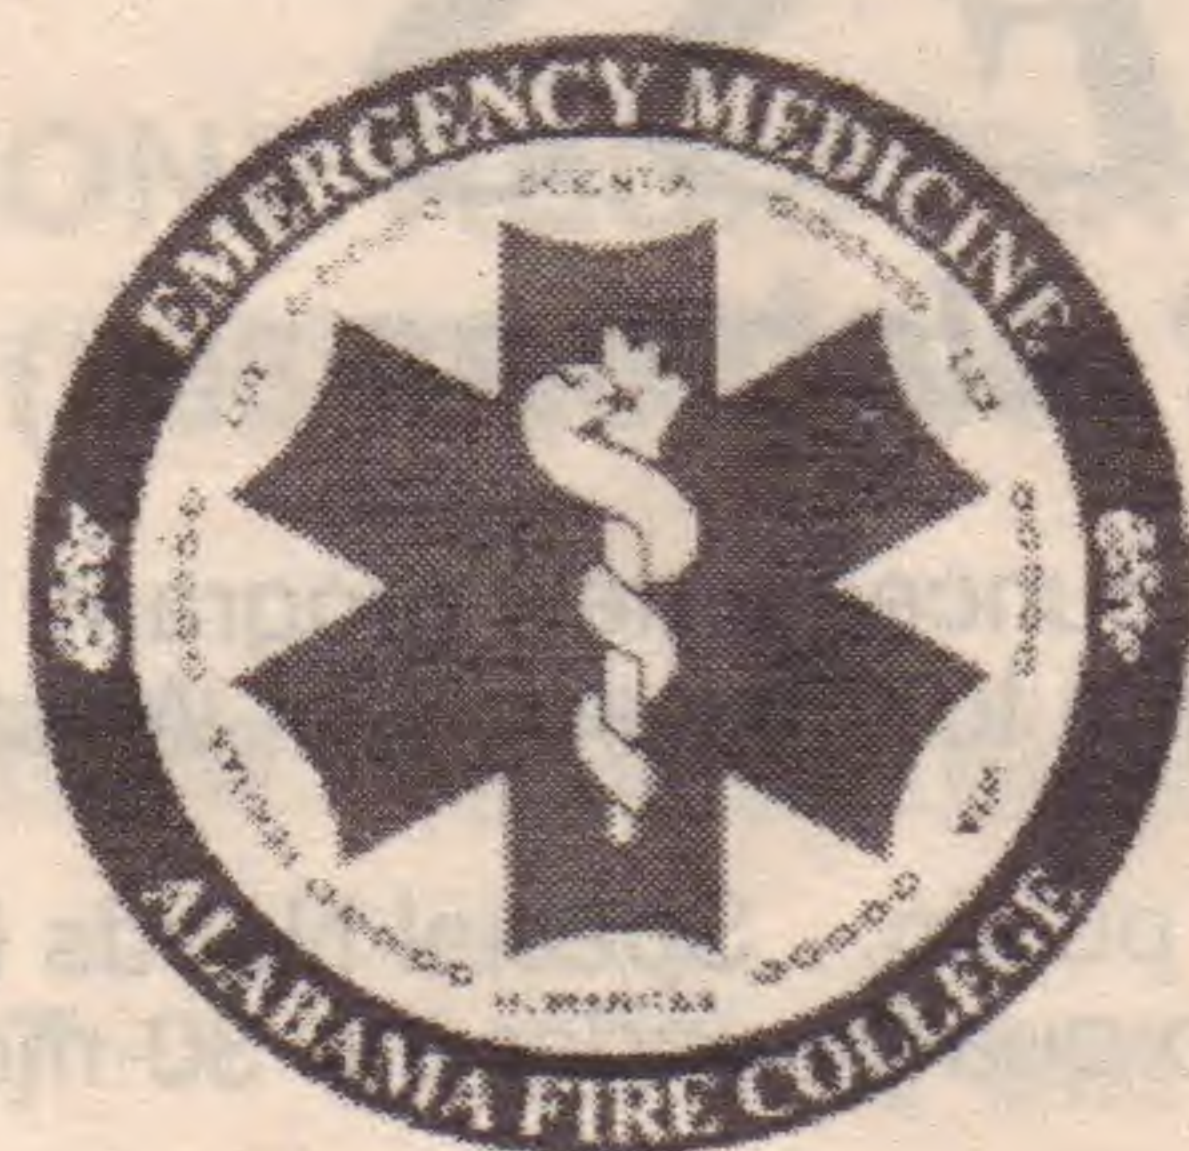

Registration is required by May 1, 2000 Max. 18 students

Instructor: Sandie D. Vinson Tuesday, Thursday & Saturday

June 5 - July 28 8 a.m. - 4 p.m.

Students will learn to measure and remove old plant materials as well as to design and install new plant materials. Also, included will be cultural practices such as fertilizing, pruning and applying various pesticides. A high school diploma or GED is not required for this eight-week course.

## Summer Schedule 2000

\*\*\*An additional 160-184 hours are spent in Field and Clinical Rotations

## NOTES...

**TRANSFER OF COURSES:** College advisors are assigned to help you complete your schedule. However, it is your responsibility to make sure you have satisfied all course prerequisites and to determine whether a course will be accepted at another institution.

**PREREQUISITES:** Before you enroll in a course, you must satisfy all prerequisites (including ASSET scores) of that course. If you enroll in a course for which you have not fulfilled all prerequisites, you may not receive credit for that course.

**CLASS CANCELLATIONS:** Shelton State reserves the right to cancel any class. Should a cancellation occur, you must see a counselor or your advisor for necessary schedule adjustments.

**ASSIGNMENT OF INSTRUCTORS:** The assignment of instructors to classes listed in this schedule is tentative. The college reserves the right to change the instructor assigned to any class offered.

\*Although the publisher of the schedule has made every reasonable effort to attain factual accuracy herein, no responsibility is assumed for editorial, clerical, or printing errors, or errors occasioned by honest mistakes. **ALL INFORMATION IN THIS SCHEDULE IS SUBJECT TO CHANGE BY SHELTON STATE WITHOUT PRIOR NOTICE.**

\*It is the official policy of the Alabama Department of Postsecondary Education, including all Postsecondary institutions under the control of the State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin or age, be excluded from participation in, be denied the benefits of or shall be subjected to discrimination under any program, activity or employment.

# CONTINUING EDUCATION SUMMER 2000

To receive information on Continuing Education classes or to request a complete schedule, telephone (205) 391-2386 or fax (205) 391-2316. You may also receive information by e-mail at [jhollingsworth@shelton.cc.al.us](mailto:jhollingsworth@shelton.cc.al.us) or via the Shelton State Community College web-site <http://www.shelton.cc.al.us>. Four enrollment options are available for your convenience: (1) credit payment by telephone using MasterCard or Visa by calling 391-2386; (2) payment in person, Suite #1720; (3) charge via e-mail; (4) payment by check or money order mailed to:

Shelton State Community College  
Continuing Education, Box 210  
9500 Old Greensboro Road  
Tuscaloosa, AL 35405

## COMPUTER TRAINING

The computer training available through Shelton is designed to take an individual from the development of keyboarding skills, through the introduction to computers, introduction to Windows 98, word processing, database, and spreadsheet. Most of the courses are offered during the evening hours, Monday through Thursday from 6-9:15 p.m. However, we also provide some afternoon courses and one day seminars for your convenience.

### KEYBOARDING

**KIDS' KOLLEGE -****AN ACADEMIC ENRICHMENT PROGRAM**

This is a quality academic enrichment experience for children who have completed first grade up to high school. The classes are held in the afternoon and meet four days a week for 1 1/2 hours each day. A maximum of twelve students are placed in a class. This popular summer program provides stimulating interaction for exciting learning results. Preregistration is required by June 5, 2000. Assessments will be provided for students in many of the subject areas prior to the beginning of the program.

June 19 - July 7 \$145 per course per child

**SENIOR SCHOLARSHIP PROGRAM**

The State of Alabama provides a scholarship program for senior adults allowing an individual to register for any of the credit courses offered through the college. The following guidelines must be followed: (1) An individual must be 60 years of age at the time of the enrollment. (2) Each course may be taken only one time. (3) A person will be placed in a course after fifteen traditional students have been enrolled. (4) To qualify, individuals must have completed high school or the equivalent. The cost of each course is four dollars per semester hour with registration handled through Continuing Education. For more information contact 391-2323.

**LIFETIME LEARNING INSTITUTE**

For an annual membership fee of \$10 plus \$35 per semester, individuals fifty-five years of age and over may take all of the courses offered in the LifeTime Learning area. The course topics are determined by those participating in LifeTime Learning during the fall and spring semesters. Classes are not scheduled during the summer months. For more information contact 391-2386 or 391-2484.
